Saikat Sheet

I am Saikat Sheet , currently completing B.Tech in Computer Science and Engineering in Techno International Newtown affiliated to Maulana Abul Kalam Azad University Of Technology.

As a learner I am curious enthusiast, consistently involved in the process of upgradation and self evaluation to keep myself up with quickly evolving technologies.

Courses
- Pure Science
- Grade : 83.4%

PERSONAL PROJECTS

Payment Gateway Integration System (06/2022 - 07/2020)
- There will be a simple donate button on homepage. On clicking the donate button, the user will land on the payment page where user can select the amount to be paid and the payment type.
- Project Link : Payment Gateway Integration (donateus.netlify.app)

My portfolio Website (06/2022 - 07/2022)
- I have created a simple portfolio website of mine using html, css and javascript. It's fully responsible and it is in updation stage. I am trying to make it more better and optimized. In future it will be more enhanced after implementing all necessary things.
- Project Link : Saikat Sheet Portfolio (saikat-sheet-portfolio.netlify.app)

Simple Tic Tac Toe Game (01/2022 - 02/2022)
- I have made a simple Tic Tac Toe Game using html , css, javascript . Two users can play it only in one device.
- Project Link : Tic-Tac-Toe (simpletictactoe-game.netlify.app)
